

# CAMILLUS L

Student

## PROFILE

"You can get everything in life you want if you will just help enough other people get what they want "-- are the words said by Zig Zigler. Before Knowing the quote; I follow these as my principles. I always make sure that courage is the most important thing to live our dreams alive. I would always introduce myself as self - motivator; I motivate myself and people around me; so that things go good in positive vibe.
